Activity: KJSSE Hack 8.0

Name of activity	KJSSE Hack 8.0
Type of the Event (Webinar/Seminar / Conference /FDP / Workshop /Training / Guest Lecture/Industrial Visit)	Hackathon
Capacity development and skills enhancement initiatives (Choose anyone category from list)	Awareness of trends in technology Building real-life tech solutions
Level of Organization (Local/State National /International/ Intercollegiate /Intercollegiate)	National
Objective of the Event	• 24-hour hackathon • Hands-on problem solving • Develop skills in cybersecurity, web development, and AI-ML web solutions.
Outcome of the Event	• Skill development • Competitive environment • Mentorship and guidance sessions

Sr. No. of Event / Activity	Day/Date	Year	Month	Time	Venue	Description of Activity
1	Saturday 12th-Sunday 13th	2025	April	5:00 PM	Aryabhatta Building	24-hour hackathon

Details of participation in the event/activity

	Number of students
Female	**25**
Male	**117**
Total:	**142**

TOTAL NUMBER OF PARTICIPANTS: 142

Approval Letter

To: The Head of Department Electronics & Telecommunication Engineering

Subject: Request for permission to use A-225 seminar hall for a Hackathon.

Dear Ma'am,

KJSSE CodeCell is conducting the National KJSSE Hack 8.0 on **Saturday, 12th April, 2025 & Sunday, 13th April, 2025**. We request you to allow us to use **A-225** on both days **from 9:00 am on 12th April, 2025 to 6:00 pm on 13th April, 2025** for conducting the event.

We request you kindly grant us permission to conduct the event in the Seminar hall subject to the availability of the same.

Regards,
Thanking You

Aadil Shaikh
Committee Head

Report of event/ activity

Event: KJSSE Hack 8.0

KJSSE CodeCell hosted their 24-hour flagship Hack on the 12th and 13th of April, 2025. The hackathon comprised two problem statements across the domains of cybersecurity, AI-ML, and web development.

The first track was the GajShield track, where participants had to solve an inquisitive, industry-level cybersecurity-driven challenge. The mystery track was an on-spot revelation, where the participants had the freedom to solve any problem on their innovation. Each track comprised 20 teams, with teams ranging from two to four participants.

Throughout the hackathon, mentors and judges helped participants with valuable insights and thought-provoking questions. With two mentorship sessions, we were able to make the experience both knowledge-driven and engaging. We also had a running supply of snacks and energy drinks to ensure that the teams stay energised and enthusiastic till the end.

After a full 24-hour camaraderie of coding, the first rounds of judgment began. Here, only five out of twenty teams were shortlisted for the final presentation round. After a thorough round of questioning, testing, and presenting, the top three teams from each track were awarded the prizes. The total prize pool for the hackathon was over 1.5 Lakh Rupees. All the participants were rewarded with swags and goodies as appreciation for their time, creativity, and effort in making the hackathon a truly competitive and adrenaline-driven event.

In conclusion, the 8th edition of KJSSE Hack was an incredible success. All participants, judges, and attendees gave positive feedback, and the event closed on an enriching, thrilling note.
