Report of event/ activity

Event: Intro to CP

KJSSE Codecell successfully conducted an engaging **Intro to Competitive Programming (CP) Workshop**, aimed at equipping students with the fundamentals of CP and problem-solving strategies. The workshop provided attendees with hands-on experience through interactive problem-solving sessions, helping them strengthen their logical thinking and approach towards competitive coding contests. Participants explored different problem categories and learned how to optimize their solutions for better performance in coding competitions.

With a focus on fostering a strong CP culture, the workshop served as a stepping stone for beginners while also refining the skills of those already familiar with coding challenges. The event saw enthusiastic participation, making it a valuable learning experience for all.

Feedback of the Event

“Great experience and very interactive introduction for C++.”

- Mohammad Fawwaz Ansari (Comps FY)

“It was a great experience. Thanks to Codecell as they introduced me to the whole new world of coding which is CP. CP is much more fun than just learning normal code languages.”

- Vedant Palande (Comps FY)

“The event was well-organized, engaging, and provided valuable learning opportunities.”

- Atharva Chougule (Comps FY)

“Loved the event. Everything was explained pretty nicely given the short timeframe and the questions were also helpful to apply the concepts learnt.”

- Dharshan Adimulam (Comps FY)
